Switzerland

FREQUENCY ALLOCATIONS

NaFZ 2024

Note 1: A primary service is written in capital letters, a Secondary service has first letter capital and other lower case

Note 2: This chart is a graphic single-point-in-time portrayal of the Frequency Allocation Plan (NaFZ) from Switzerland. It does not completely reflect all aspects, i.e., footnotes and recent changes made to the Frequency Allocations Plan. Therefore, for complete information, user should consult the FAP published at www.bakom.ch

Note 3: The spacing assigned to the services in the spectrum segments shown is not proportional to the actual amount of spectrum occupied.
